MEMBERSHIP OF THE RESIDENT ADVISORY BOARD

- Section 8/Housing Choice Voucher representatives who volunteered for the RAB in response to mass mailings.
- Residents of public housing (that is, the scattered site single family homes and duplexes) who volunteered for the RAB in response to mailings.

PHA staff will continue to send information about the RAB and the Agency Plan to the two PHA Commissioners who are residents of PHA-owned housing. As of October 1, 2022 John Cardoza represents hi-rise residents. The Commissioner representing family residents is Veronica Robinette.

The Resident Advisory Board membership fluctuates due to residents moving out of public housing or leaving the Section 8 program, etc.

RAB mailings have also been sent to Southern Minnesota Regional Legal Services, Inc. (SMRLS).

Before the PHA converted most of its public housing (16 hi-rises and four family housing developments) to Multifamily Housing (Project-Based Rental Assistance, PBRA) the RAB also included representatives from those properties.

Because of the COVID-19 pandemic, the 2022 RAB meetings and the public hearing were “virtual”, held on “Zoom” conference calls (the same as meetings of the Presidents Council and City-Wide Resident Council).

SUMMARY OF COMMENTS ON AGENCY PLAN AND PHA RESPONSES

RAB Comments

Because of the COVID-19 pandemic, the RAB meetings were “virtual” this year, held on “Zoom” conference calls (the same as meetings of the Presidents Council and City-Wide Resident Council). The PHA convened two meetings of the Resident Advisory Board (RAB) in August and September 2022 to discuss the Agency Plan requirements and drafts and other policy issues. The RAB did not submit any written comments on the Agency Plan.

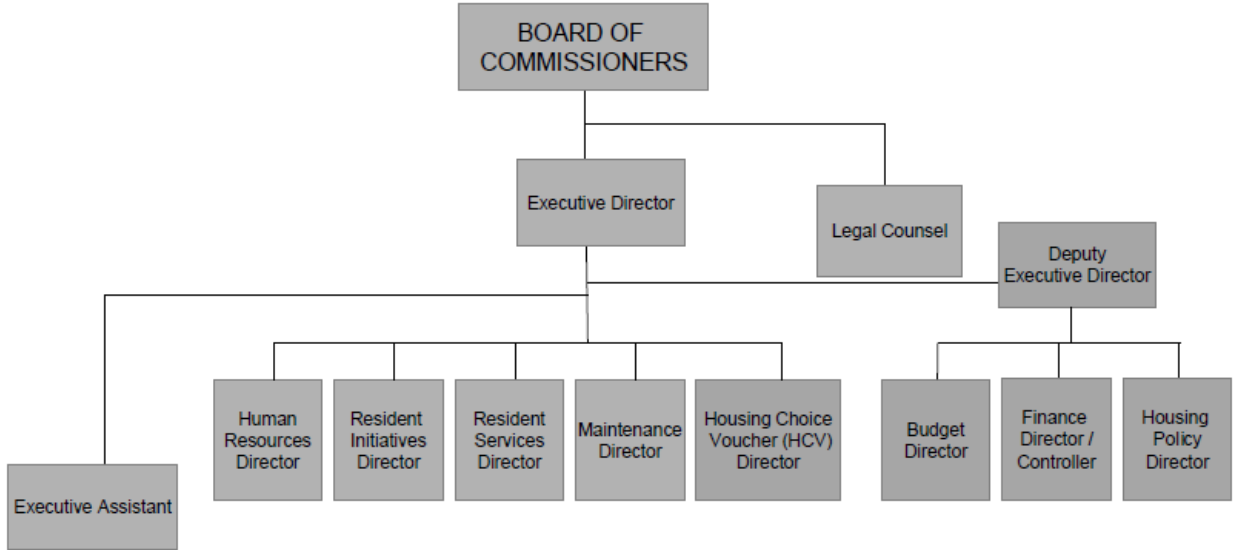

Comments from the Public Hearing

The Agency Plan Public Hearing will be held on November 10, 2022.

Because of the COVID-19 pandemic, the public hearing will be “virtual” again this year, held on a “Zoom” conference call with telephone access. No written comments on the Plan had been submitted when this draft of the Agency Plan was written.

PUBLIC HOUSING AGENCY OF THE CITY OF SAINT PAUL

ORGANIZATIONAL CHART
Board Approved April 22, 2020

Violence Against Women Act (VAWA); 2013 Reauthorization

On April 25, 2007 the PHA Board of Commissioners approved a Policy on Protections for Victims of Domestic Violence (“VAWA Policy”) and related amendments to the PHA’s Admission and Occupancy Policies for the Public Housing Program and the Section 8 Housing Choice Voucher Program. The policies are posted on the PHA’s Internet website, www.stpha.org. On May 24 and September 27, 2017 the PHA Board approved revisions to the policy to conform to the 2013 Reauthorization.

The PHA adopted these policies in compliance with the Violence Against Women Act (VAWA) as amended. The Act also requires the PHA to describe in the Agency Plan any goals, objectives, policies or programs that will enable the PHA to serve the needs of child and adult victims of domestic violence, dating violence, sexual assault or stalking. (Sec. 603).

- The PHA supports the goals of the VAWA and will comply with its requirements.
- The PHA will continue to administer its housing programs in ways that support and protect residents (including residents of public housing and Multifamily Housing/PBRA, and Section 8 Housing Choice Voucher program participants) and applicants who may be victims of domestic violence, dating violence, sexual assault or stalking.
- The PHA will not take any adverse action against a resident/participant or applicant solely on the basis of her or his being a victim of such criminal activity, including threats of such activity. “Adverse action” in this context includes denial or termination of housing assistance.
- The PHA will not subject a victim of domestic violence, dating violence, sexual assault or stalking to a more demanding standard for lease compliance than other residents.
- The PHA will continue to develop policies and procedures as needed to implement the requirements of VAWA, and to collaborate with other agencies to prevent and respond to domestic violence, dating violence, sexual assault or stalking, as those criminal activities may affect applicants for and participants in the PHA’s housing programs. The PHA cooperates with St. Paul area public and non-profit agencies that provide activities, services and programs to assist and support victims of domestic violence. (See attached list of agencies or go to the website for Minnesota Coalition for Battered Women - <http://www.mcbw.org>)
- The PHA’s VAWA Policy states that “The PHA will provide notices explaining the VAWA protections to applicants for housing assistance (both Section 8 Housing Choice Vouchers and Public Housing), to public housing residents and Section 8 voucher participants, and to property owners participating in the voucher program.”
- The PHA has provided VAWA training to its staff, and to other housing agencies through the Minnesota Chapter of NAHRO.

Pending Disposition Activities

No disposition activities were underway or contemplated when this Plan was written

On October 3, 2019 the PHA closed on all 8 RAD conversions, converting 3,855 public housing units to Project-Based Rental Assistance (PBRA) under HUD's Multifamily Housing division. The PBRA HAP contracts were effective January 1, 2020.

Capital Fund Program

The Capital Fund budgets and reports are not attached to the Agency Plan.

The PHA submits the required Capital Fund Program (CFP) budgets and reports along with the signed amendment to the Annual Contributions Contract (ACC).

POLICY CHANGES IN PUBLIC HOUSING AND SECTION 8

The following PHA policies were revised after the last Agency Plan was submitted. (Section B.1. of the Annual Plan). The PHA also adopted policy waivers authorized by the CARES Act, as shown on Attachment P.

The complete Admission & Occupancy Policies (AOP) are posted on the PHA's Internet website, www.stpaulpha.org.

- On July 28, 2021, the Board of Commissioners approved revisions to Appendix H to the AOP to include the policies for the Emergency Housing Voucher (EHV) program.
- On September 22, 2021 the Board of Commissioners approved Appendix P to the AOP to state the policies for the Choice Mobility Voucher (CMV) program.

HOUSING NEEDS

The City of Saint Paul's Draft Consolidated Plan for 2020 – 2024 describes the housing needs in the community, at pages 38 - 53.

The 2020-2024 Consolidated Plan outlines federal funding priorities for housing, economic development, infrastructure, and public service needs. The 2020-2021 Annual Action Plan summarizes the actions, activities, and resources used to address these priority needs. Both plans are required by the U.S. Department of Housing and Urban Development (HUD).

Development/Conversion Concept: Expand Public Housing Inventory Available for Eligible Families or Individuals

In response to the PHA's application, in May 2022 Ramsey County (MN) approved \$5.5 million from ARPA (American Rescue Plan Act) and HRA (Housing & Redevelopment Authority) levy funds which will enable the PHA to construct 11 new units of deeply affordable housing, including 7 units at McDonough Homes and 4 units at Dunedin Terrace.

The units will be developed as "Low Income Public Housing" to utilize the HUD Operating Fund and Capital Fund subsidies for 11 units that have been reserved for the PHA ("Faircloth Units"). Upon completion, the units will be converted directly to Project-Based Rental Assistance (PBRA) through HUD's Rental Assistance Demonstration (RAD). Like the PHA's other RAD-PBRA units, the new units will then be funded through HUD's Office of Multifamily Housing, with a 20-year renewable Housing Assistance Payments (HAP) contract. The HAP contract provides reliable, predictable federal subsidies, replacing the annual uncertainty of Congressional approvals for public housing.

In recent years the PHA has been pursuing opportunities to develop new affordable housing, using existing PHA resources to leverage other funds. The PHA has received long-term forgivable loans from the Minnesota Housing (Finance) Agency to construct some new units and accelerate capital improvements on existing public housing properties.

The PHA will continue to seek out opportunities to produce affordable housing for veterans and other eligible households by leveraging existing resources in public housing, Section 8 or Multifamily housing.

Conversion of Public Housing to Project-Based Assistance Under RAD (Rental Assistance Demonstration)

On October 3, 2019 the PHA closed on 8 RAD conversions, removing 3,855 units from public housing and converting 3,836 units to Project-Based Rental Assistance (PBRA) under HUD's Multifamily Housing division. (19 units used for non-dwelling purposes were not included in the PBRA HAP Contracts.)

Together the eight RAD conversion applications constituted a near-portfolio-wide conversion including all of the PHA's the sixteen hi-rises and four family housing developments. The PHA's 418 scattered site homes were not part of these RAD applications; they will remain as public housing. Over the next year or two the PHA will hold discussions with residents, elected officials and community stakeholders about the best ways to preserve these homes as safe, affordable, quality housing for low income families.

After the 11 new development units (described in Attachment I, above) are completed, the PHA intends to convert them directly to Project-Based Rental Assistance, using RAD.

Implementing HUD's Smoke-Free Mandate in Public Housing

The PHA has implemented HUD's Smoke-Free Mandate in Public Housing, following the Final Rule "Instituting Smoke-Free Public Housing" published December 5, 2016 and HUD Notice PIH 2017-03.

On April 25, 2018 the PHA Board approved the following policy for public housing, as Appendix H to the Admission and Occupancy Policies for Public Housing:

In the interests of providing a healthful living and working environment for PHA residents, staff and others, and to comply with HUD's "Smoke-Free Public Housing Rule" (24 CFR Sec. 965.653) smoking is prohibited in all public housing living units and interior areas (including but not limited to balconies, hallways, rental and administrative offices, community centers, day care centers, laundry centers, and similar structures), as well as in outdoor areas within 25 feet from public housing and adjacent outdoor common spaces (like patios), and administrative office buildings.

The policy applies to the use of all "prohibited tobacco products" which are defined as

Items that involve the ignition and burning of tobacco leaves, such as (but not limited to) cigarettes, cigars, and pipes; as well as waterpipes (hookahs).

This policy does not include "Electronic Nicotine Delivery Systems" (ENDS) such as "e-cigarettes".

This policy shall be incorporated in the lease for all residents.

This policy was effective July 30, 2018.

Use of Operating Fund for Capital Activities

The PHA does not anticipate using funds from the Annual Operating Budget for capital activities in public housing during the Plan year. The only units remaining in public housing are the 418 scattered site single family homes and duplexes; and we expect the Capital Fund Program (CFP) grants for that project will be sufficient to pay for planned capital improvements.

[ATTACHMENT M – DELETED]

DEFINITION OF A SIGNIFICANT AMENDMENT TO THE AGENCY PLAN

The PHA's current definition of a significant amendment is as follows:

*Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the PHA that fundamentally change the mission, goals, objectives, or plans of the Agency and which require formal approval of the Board of Commissioners.
(approved by the PHA Board of Commissioners on December 15, 1999)*

The PHA believes this definition does not need to be revised at this time.

The PHA has adopted a separate "significant amendment" statement that applies specifically to the 5-Year Action Plan for the Capital Fund Program. See Attachment P.

ATTACHMENT O to Saint Paul PHA Agency Plan for PHA FY 2024 (FFY 2023)

Emergency Housing Vouchers (EHV)

On July 28, 2021, the Board approved the PHA's acceptance of 157 Emergency Housing Vouchers (EHV), and also agreed to enter into a Memorandum of Understanding with the Continuum of Care (Heading Home Ramsey or "HHR") to help administer these vouchers.

Definition of a Significant Amendment to the 5-Year CFP Plan

Substantial deviations or modifications to the CFP 5-Year Action Plan are defined as changes in the plan that require formal approval by the Board of Commissioners. Additions of a Capital Fund project or non-emergency work items that are not in the current CFP Annual Statement or 5-year Action Plan in an amount equal to or greater than \$250,000 would be considered significant amendments, as well as material changes in regard to demolition, disposition, homeownership, RAD or other conversion, Capital Fund financing, development or mixed finance conversion activities.
