After the closing and effective date of the new Housing Assistance Payments (HAP) contracts, 3,855 rental units that were formerly funded as Public Housing through HUD’s Public &amp; Indian Housing (PIH) division will be funded and managed as Project-Based Rental Assistance (PBRA) under HUD’s Multifamily Housing division. The RAD-PBRA conversions include all 16 hi-rises and the four family housing developments that were formerly designated as Public Housing Asset Management Projects (AMPs)1-8.</i></p> <p><b>Pending Disposition Activities:</b> <i>No disposition activities were planned or underway when this Plan amendment was written. Sometime after the RAD conversions to PBRA are completed, the PHA will consider how best to manage, maintain and improve the 418 single family homes and duplexes on scattered sites which will remain in the Public Housing program. The PHA will collaborate with the residents, local government and the community in making plans for the future of those affordable housing resources. The PHA would request replacement Housing Choice Vouchers if any scattered site homes are proposed to be sold to current residents or others.</i></p>

Andrew Boss Building (located at 555 North Wabasha Street in St. Paul) which has been on file in the Ramsey County Property records. The DOT release will be finalized after the RAD conversions are completed. This is not a property disposition; the PHA will sign a “Use Restriction” binding it to continue using the property for its current purposes for not less than 30 years.)</p> <p>During the coming Plan year the PHA’s remaining Section 8 Mod Rehab Single Room Occupancy (SRO) contract may convert to PBRA under RAD.
