

Opportunities and Resources for YOUTH

Programming Partners and Potential Partners

Art/Music/Dance

Big Brothers, Big Sisters Free Arts Free Arts was previously offered by Free Arts Minnesota, a nonprofit originally founded by Junior League of Minnesota. Program. This program brings creative arts to youth who may have experienced poverty, homelessness, abuse, or mental illness. <https://www.bigstwincities.org/free-arts/>

CoMUSICation Love to sing, create and perform? We amplify young voices and cultivate skills for success through equitable access to music, collaboration, and opportunity. Contact Kevin Kalla Operations Director. All programming takes place at 868 Sherburne Ave., St. Paul. <https://www.commusicationmn.org>

Hmong American Partnership HAP improves the lives of individuals and families in our diverse communities through culturally sensitive social services and strengthens neighborhoods through housing, community and economic development opportunities. <https://hmong.org/hap-impact-areas/community-impact/educational-services/>

MN Children's Museum Our museum is kid-powered play space where families have fun together and kids take the lead. Through interactive exhibits and programs, the museum provides open-ended, self-directed experiences that give kids (and adults!) the space and freedom to explore their interests, solve problems and build life skills like confidence, critical and creative thinking, communication and more. Discounted rates available for eligible families. Contact Cfritz@mcm.org

Tickets for Kids Tickets for Kids provides free access for low-income and at-risk kids to attend the arts, cultural, educational, and athletic venues of their community. Through partnerships with youth-serving organizations across the U.S., we strive to make trips to museums, concerts, ballgames, science centers, zoos, and more part of every childhood. Through access, we provide experiences that can spark an interest, ignite a passion, and shape a future without limits. Contact diane.anastos@stpha.org for more information.

East Side Arts Council To collaborate with our community and artists to celebrate and experience the arts. They have artists in residence, art after school, art mobile, senior arts and art at home and a gallery. Contact sarahfehr@eastsideartscouncil.org, Executive Director.

Saint Paul Parks and Recreation offers after-school and other out-of-school time care for youth at multiple recreation centers across the City. Rec Check programs are open for youth who live or attend school in Saint Paul. Children participate in a variety of structured, supervised activities that are recreation focused. These may include arts and crafts, community building games, quiet time, homework help (during the school year) and more. To promote health and fitness, staff will engage the youth daily in physical activity. A daily snack is also provided.

Sprockets improves the quality, availability, equity and effectiveness of out-of-school time learning for all youth in St. Paul through the committed, collaborative and innovative efforts of community organizations, government, schools and other partners.
