CENTRAL ADMINISTRATIVE  
OFFICE

Dear Jon;

During the week of 9/17 I received a call from Kaohnou Yang telling me she has an apartment available in the Seniors hi-rise. She wanted to know if I would like to see it. I said I would like to and can see it today. She was agreeable to that. Later that day we met. I looked at it and was told it would be ready next Thursday 9/24. I signed a lease and gave Kaohnou a check for the required \$300.

On the morning Kaohnou called, told me the apartment was ready and when was I moving in. I told her this Sunday 9/27.

She then proceed to tell me who to see to get my keys, would be told what each one was for,, and where everything was I needed to know on that day. I moved in on Sunday without any surprises. She made sure ahead of time that was not going to happen.

I moved in that Sunday and when finish me and two friends who helped went to Target to look at area rugs. Target is 5 blocks away from my new address.

Now I have two witness for what I am going to tell you. I opened the door to exit the car and I get a call from Kaohnou. she wanted to know if everything was a all right. Did I get my keys. Was I shown what the were for, where the mail boxes were etc etc. Was the apartment cleaned to my satisfaction. Was I happy with the place. was there anything else I needed.

I have bought brand new BMW's and no one called me back to see if EVEYTHING was OK. And this was on a Sunday. I felt A part time guardian came with the place.

Now I know "us guys" some would rather be told there's spaghetti sauce on our tie there receive a little praise. But since the buck stops with you, you have to take a little credit fir this too.

So thank you Kaohnou and congratulation Jon

Sincerely

Dear PHA,

Let me say a sincere 'Thank You'

I am deeply grateful to Saint Paul Public Housing for providing me with a home when I did not have any.

I came to Central HiRise when I was at my lowest point. In fact, I was lost, broken, penniless and ashamed.

But you welcome me with open arms. Since then a year and a half has passed and I have gotten my life together more than I have ever imagine.

~~It~~ I would not have gotten to where I am without PHA. I do not know what I would do without PHA — dedication to the growth of low income family(ies) or single(s) young adults (like me).

Sadly, I am vacating Central HiRise because I have relocated out of state to further my education, for career advancement, personal fulfillment and more importantly, I am ready to move on.

~~My experience~~ Central HiRise is an experience I will always remember.

Thank you for giving me a bit of strength.

And thank you for all that you do.

Warm Regards,

Robert Johnson
