Dear Mr. Gutzmann,

On behalf of everyone here at 545 Wabasha, we would like to thank you very much for the items that we were able to purchase with our special grant money.

We replaced the small, old microwave in our Community Room with a larger and much nicer one.

We replaced the broken pool cue wall rack, and got 4 new sticks!

You can look out your window from the fourth floor to see our major purchase, which was a new patio furniture set!!  
What a nice addition to our patio/garden it is.

Along with the makeover last fall which included new paint, and new furniture, it's really shaping up around here, and becoming a pretty nice place to call home.

You are welcome to stop by and see for yourself.  
A free tour of the garden by yours truly is included with this offer!!

Thank you again!

*Rhonda* ☺

Mr. Jon Gutzmann  
Public Housing Agency of the City of St. Paul  
555 N Wabasha Street, Suite 400  
St Paul, MN 55102

Dear Jon:

On behalf of the Presidents Council, we wish to acknowledge and thank you for PHA's one-time additional donation of \$6,000.00 (six-thousand dollars) to the Presidents Council in your next fiscal year. We very much appreciate your support and understanding of the needs and purposes of the Presidents Council now and throughout the years.

As we have tried to demonstrate to PHA, we take the accountability of President Council funds very seriously. In addition, with trying to find grant funds, this additional money should help demonstrate to potential grantors that the Presidents Council plans to be a responsible financial manager throughout the years.

These additional funds could serve a number of financial needs of the Presidents Council. After review and discussion of our current and next fiscal year's budget within the coming weeks, we shall present to PHA a proposed plan for how these funds will be used. We will specifically address the issue of on-going expenses in the highrises for computer access.

Again, thank you for your support and additional donation. It is very much appreciated.

Sincerely,

Judy Martin  
Treasurer

Dear Alicia and Al,

I would like to express my thanks for not only inviting me to yesterday's RAB meeting but also for the excellent presentation you both gave and your felicitating the lively and informative discussion that followed. I very much look forward to our future meetings. I realize this is a job/career/employment for you, but I was distinctly aware of your compassion and empathy for the people you are helping. As a women with two graduate degrees and a career of her own who "fell through cracks" due to a serious disability and ended up on the streets, penniless, homeless and hopeless some 17 years ago, I understand just how critical your work is. But time heals, and I now have a home and am able to return to the work I most love, hospital chaplaincy and hospice care, on a part-time basis with the HealthEast Care System. I owe much of my stability and gradual healing to your agency and people like you who work on my behalf. I am most grateful. Blessings!

Sincerely,

Rev. Lucretia K. Kirby, M.A., M.Div.
